High Altitude Clothing & Equipments

Nobody in the world understands requirements of Jawans operating in hostile climate and glacial terrain better than the Indian soldier fighting at the world's highest battlefield with temperature collapsing as low as -450 C coupled with acute short supply of oxygen. They require the world's best clothing to sustain life and combat efficiency in such circumstances. Until now fighting the Nature used to mean considerable outflow of precious foreign exchange to pay for the imported Polar equipment and clothing to keep our soldiers warm and fighting fit. Not any more!

We have answer to their every query in our HA Clothing and Equipments eg: Down Sleeping Bags, Jackets, Vests, Thermal wears, Trousers and Over Trousers, Boots..... You dream it, we provide it! Just to provide you a peep into our High Altitude Clothing & Equipments.
