

# TEXPLUS FIBRES

In Service of The Toughest

## Our Proud Products Matchless Quality!

### Survival Kits

In this category, we support our soldiers and adventurers functioning under trying conditions where teams or individuals may have to operate in isolation fighting through adversities without supplies and support of any kind coming to them from anywhere. We take care of such critical needs and will provide you what you need most, eg: Mini Gas stoves (matchless ignition), instant rechargeable mini lights, knives, cutters, first-aid accessories, multi-purpose stretcher, Life Jackets and so on. Texplus products enable 'the Tough get going when the Going gets tough!'

### Import Substitutes

**Texplus Fibres** now brings you the World Class Quality at your door-step saving you the trouble and the country its precious foreign exchange! We have tie-ups with a number of European and American companies with whom we share technological know-how and keep abreast with the latest emerging trends in futuristic threats and high-tech needs in fabric based equipment and allied accessories.

### Corporate Gift-Packs & Bags

The vast range of our products does not end here. We also specialise in high-quality Bags, Holsters, Wallets, Hand-bags, Carry-Cases like Lap-top Bags designed and developed to meet specific requirements of manufacturers of variety of products requiring World-class carry cases or, simply Gift Packs for important Delegates to make power impact.

### Special Equipment

We have quite a few projects in hand at our R&D Department where work is in full swing to develop cost-effective, light and reliable Glacial Clothing, Bullet proof Jackets, Body Armour, All-weather adaptable body wear etc.

***And a Large Number of Equipments & Accessories....***
