Our Proud Products Matchless Quality!

As Fabric Specialists, we bring you Quality and Choice. You cannot expect motivation and success in hazardous missions from the best of the soldiers equipped with second-rate equipment. We design, develop and test each equipment and then offer the same with guarantee for fool-proof performance.

Adventurer's Paraphernalia:

Camping Equipment, Tents, Rucksacks and other Back-packing accessories, Sleeping Bags, Survival Kit, Extreme Cold/Glacial Clothing, Caps, Boots, Crampons.... For Adventurers, Campers, Hikers, Military Personnel, Mountaineers, Trekkers.... You name it, we either have it for you!

Military Equipment:

Our Defence Forces have tried out a huge range of our products and found them matching the best in the world perhaps scoring over quite a few of them too! We are now taking care of a vast range of their needs: Combat Dress, Duffle Bags, Rucksacks, Tactical Jackets, Utility Pouches, Belts, Harnesses, Patkas, 3-Pt Rifle Slings, Weapon Holsters, Combat Jackets, Life Jackets, Ponchos, Ghillie Suits, Face-masks, BP Vests, Sleeping Bags, Gloves, Medical Aid Brief-Cases, Camouflage Nets, Tents, Ropes, Cords, Lanyards, Snow-Goggles, Shatter-proof Goggles, and so on.

High Altitude Clothing and Equipments

Nobody in the world understands requirements of Jawans operating in hostile climate and glacial terrain better than the Indian soldier fighting at the world's highest battlefield with temperature collapsing as low as -450 C coupled with acute short supply of oxygen. They require the world's best clothing to sustain life and combat efficiency in such circumstances. We have answer to their every query in our HA Clothing and Equipments eg: Down Sleeping Bags, Jackets, Vests, Thermal wears, Trousers and Over Trousers, Boots, Headgears, Socks, Blankets, Arctic Tents, Special multi-purpose stretchers, Heaters, Warmers and so on.

Survival Kit

In this category, we support our soldiers and adventurers functioning under trying conditions where teams or individuals may have to operate in isolation without supplies and support of any kind. We take care of your critical needs in the face of heavy odds and will provide you what you need most, eg: Mini Gas stoves (matchless ignition), instant rechargeable mini lights, knives, cutters, first-aid accessories, multi-purpose stretcher, Life Jackets and so on.

Import Substitutes

Texplus Fibres now brings you the World Class Quality at your door-step saving you the trouble and the country its precious foreign exchange! We have tie-ups with a number of European and American companies with whom we share technological know-how and keep abreast with the latest emerging trends in futuristic threats and high-tech needs in fabric based equipment and allied accessories.

Corporate Gift-Packs & Bags

The vast range of our products does not end here. We also specialise in high-quality Bags, Holsters, Wallets, Hand-bags, Carry-Cases like Lap-top Bags designed and developed to meet specific requirements of manufacturers of variety of products requiring World-class carry cases or, simply Gift Packs for important Delegates to make power impact.

Special Equipment

We have quite a few projects in hand at our R&D Department where work is in full swing to develop cost-effective, light and reliable Glacial Clothing, Bullet proof Jackets, Body Armour, All-weather adaptable body wear etc.

Give us a Challenge and we will meet it!
